Political Party site developed by:

**Under the concept**, solidarity of opinion in conceiving the Manifesto theme as declared by the parties in the right perspective through a transparent system, need to be methodically ascertained, before a consensus is arrived at. Here is an effort made at this end to disseminate the content of manifesto for awareness in public domain.

(Content under editing, restructuring)

We also make an attempt here to create a MISSION ON MODE, a portal depicting services offered by Government of India in public web portal (<https://india.gov.in/>). The information is made available for so that public at large can take advantage from broad array of resources & Services of GOI.
