Pranam and heartfelt greetings
and best wishes on your glorious
90th birthday.

**On this blessed occasion, I express my sentiments
not only as brother-in-law, but as one who has
witnessed a life lived with grace, dignity,
faith, and quiet strength all through.**

**Bhabi Ji, You have been the life companion of my
beloved brother, a man of the highest integrity,
rare humility, academic brilliance,
and professional excellence.**

Bhabi Ji, as you know, he reached the very top of his carrier as also respect in the family but remained very simple, humble, accessible, compassionate and deeply family oriented.

Bhabi Ji, to me, he was always my Ram, and I was all through blessed to be his Lakshman, protected, guided, and loved without condition.

(Bhabi Ji I Still Remember your quote)

" You are Lakshman to him"

Bhabi Ji, together you and Bhai Saab as also Sanjay-Andrea, Abhay-Deeplakshmi, Sadhana-Arvind and all our family members

are a legacy of spiritual values, disciplined living, God-fearing conduct, health consciousness, and selfless service.

Bhabi Ji, it is your and Bhai Saab overall devotion and interest that ensured the finest and global exposure in education and otherwise to Sanjay, Abhay, Sadhna, Rajat as extended generously, not only to other family members but many outsiders also.

Bhabi ji, today, even as you are peacefully settled abroad and enjoying the time in Spiritual & Holly mood with lovely family around, you continue to carry forward the same Indian cultural values, maintaining unity, harmony, humility, and mutual respect not only in the family but outside also.

**RAM
RAM JI**

Bhabi ji, in your presence there is not a trace of grievance, indiscipline, or discord to take root but only understanding, balance, and grace prevail.

You are truly a soul of faith, responsibility and true inner strength, a custodian of dignity and divine belief.

Bhabi ji, your life is a living example of the highest order of Indian family culture & traditions.

On this sacred milestone of 90 years,

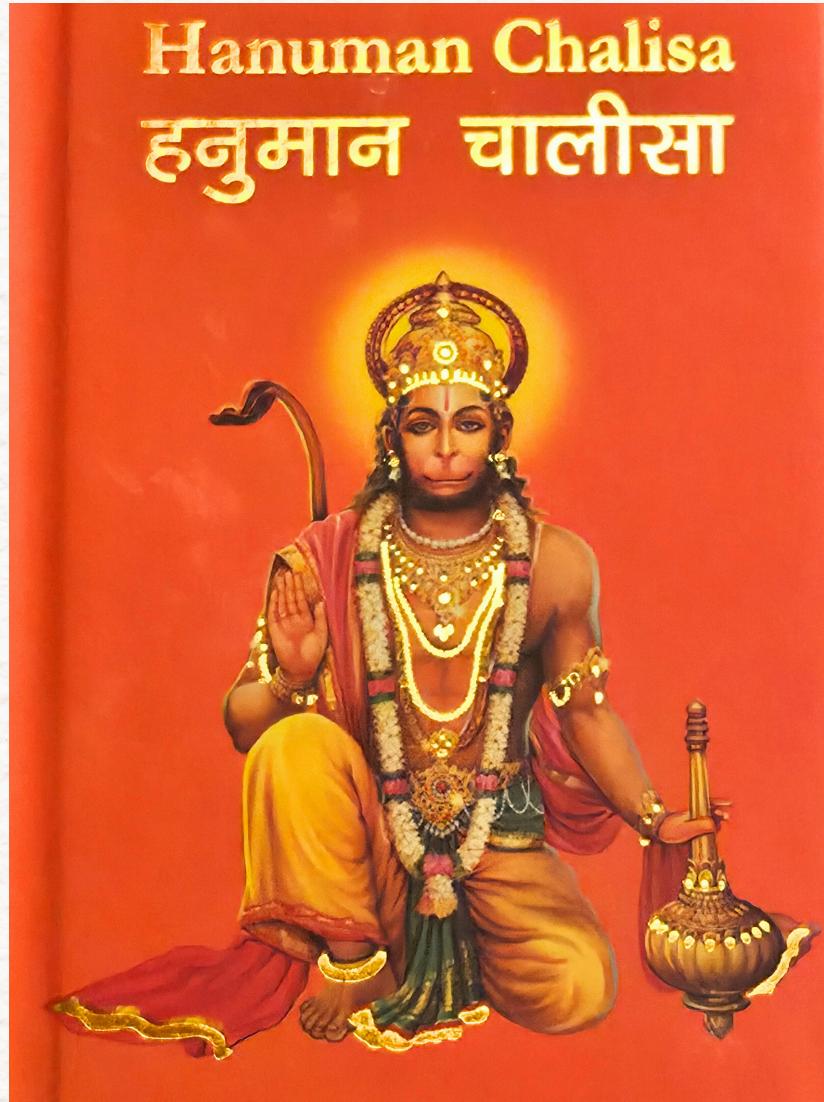

I along with whole family earnestly bow in gratitude for your overall love, affection, guidance, silent sacrifices, and the peaceful legacy you continue to hold and carry forward family.

**God
bless
you**

May the Almighty bless you with continued serenity, good health, inner joy, and divine grace.

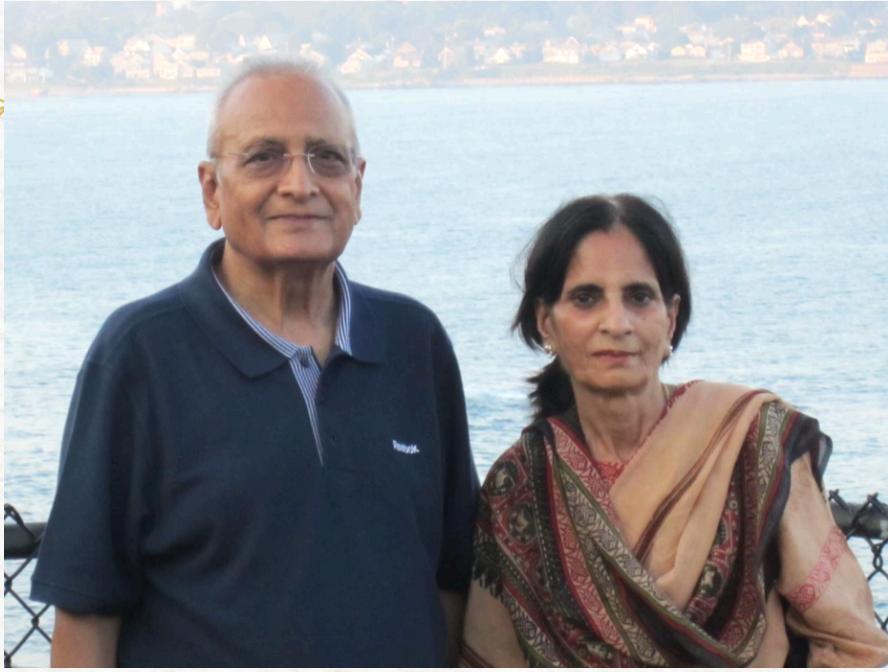

May your presence always remain a source of strength and inspiration to generations to come.

“ May your sweet dishes in home kitchen remain a source of temptation to all of us ”

With deep respect, affection, and prayers,

All here join to compliment & pay depeest regards to you.

तुम्हारी हर दुआ हो पूरी,
खुशियों से कभी न हो दूरी,
जन्म दिन पर, यही दुआ है हमारी,
तुम्हारी कोई चाहत न रहे, अधूरी

Happy B'day.
